Determination of S.B. 31 State Flag Amendments Referendum

Via email to fred@fredcox4utah.com

Dear Sponsors:

For a statewide referendum to qualify for the ballot, sponsors are required to gather 134,298 valid signatures from 15 of the 29 Senate Districts. The deadline to submit these signatures to county clerks was 5 p.m. on April 12, 2023. Clerks validated 21,030 signatures and rejected 2,117 signatures. An additional 28,449 signatures were submitted to county clerks that have not been verified. Because the required signature threshold was not met, I hereby determine S.B. 31 State Flag Amendments Referendum is insufficient, and therefore will not be placed on the ballot.

A handwritten signature in black ink, reading "Deidre M. Henderson". The signature is fluid and cursive, with a long horizontal stroke at the end.

Deidre M. Henderson
Lieutenant Governor
